About The Lodge

America's Premier Wilderness Resort. Located 1.7 miles from Big Cedar Hollow and 9 miles from the Branson Creek Golf Club. Accommodations range from cabins to lodge rooms, plus a modern cottage and a villa. All feature a sophisticated take on wilderness lodge decor, plus en suite bathrooms with jetted tubs, free WiFi and minifridges. Many have fireplaces. Amenities include a full-service spa, fitness center with personal trainer, and pony and carriage rides, plus indoor/outdoor pools, a lazy river and loaner kayaks/canoes. There are several dining options, from a casual cafe to a rustic-chic space with lake views.

About The Location

Quiet, suburban Ridgedale is known for Top of the Rock, a mountaintop area with views of Table Rock Lake. The area also features a golf course and several parks popular with hikers, cyclists, and climbers. These include Dogwood Canyon, Table Rock State Park, and Lost Canyon Cave & Nature Trail, with its waterfalls and rock formations. The Ancient Ozarks Natural History Museum displays Native American artifacts.
